SECTION 19, TOWNSHIP 18 NORTH, RANGE 13 EAST, I.M.  
CITY OF JENKS, TULSA COUNTY, OKLAHOMA**

**DEED OF DEDICATION AND STATEMENT OF RESTRICTIVE COVENANTS**

CVP DB JENKS ADDITION

KNOW ALL MEN BY THESE PRESENTS:

WHEREAS, CVP - Jenks DB, LLC, an Oklahoma limited liability company is the Owner in fee simple to the following described property in the City of Jenks, Tulsa County, Oklahoma, to-wit:

The North 100 feet of the West 240 feet of the South 990 feet of the West 884.20 feet of Lot 6, Section 19, Township 18 North, Range 13 East of the Indian Base and Meridian, Tulsa County, State of Oklahoma, according to the U. S. Government Survey thereof.

Said described property contains an area of 23,998 square feet or 0.5509 acres, more or less.

And have caused the above described land to be surveyed, staked, platted and subdivided into lots, blocks, and streets, and have designated the same as "CVP DB JENKS ADDITION" an Addition to the City of Jenks, Tulsa County, Oklahoma.

**SECTION 1. PUBLIC COVENANTS**

**A. STREETS AND UTILITY EASEMENTS**

The undersigned owner does hereby dedicate to the public use forever, streets rights-of-way as shown and designated on the accompanying plat and does further dedicate to the public use forever the easements as shown and designated on the accompanying plat for the several purposes of constructing, maintaining, operating, repairing, removing, replacing any and all utilities including storm sewer, sanitary sewer, telephone and communication lines, electric power lines and transformers, gas lines and water lines, together with all fittings, including the poles, wires, conduits, pipes, valves, meters and equipment for each of such facilities and any other appurtenances thereto with the rights of ingress and egress into and upon said utility easements and rights of way for the uses and purposes aforesaid. No building, structure, or other above or below ground obstruction that will interfere with the purposes aforesaid, will be placed, erected, installed or permitted upon the easements or rights of way as shown, provided however, that the owner hereby reserves the right to construct, maintain, operate, lay and relay water lines and sanitary sewer lines together with the right of ingress and egress for such construction, maintenance, operation, laying and relaying over, across and along all public streets, alleys, and utility easements, shown on said plat, for the purposes of furnishing water and/or sanitary sewer services to the area included in said plat.

**B. WATER AND SANITARY SEWER SERVICE**

In connection with the provision of water and sanitary sewer service, all lots are subject to the following provisions, to-wit:

The owner of each lot shall be responsible for the protection of the public water mains and the public sanitary sewer facilities located on his lot and within the dedicated street right of way and utility easement areas, if ground elevations are altered from the contours existing upon the completion of the installation of a public water or sewer main, all ground apertures, to include: valve boxes, fire hydrants and manholes will be adjusted to the new grade by the owner or at the owner's expense.

The City of Jenks or its successors will be responsible for ordinary maintenance of public water mains and public sanitary sewer facilities, but the owner will pay damage for relocation of such facilities or necessitated by the acts of the owner or his agents or contractors. The Owner/Developer will be responsible for the ordinary maintenance of private water mains.

The City of Jenks or its successors through its agents or employees shall at all times have the right of access with their equipment to all such easement ways shown on said plat, or provided for in this deed of dedication for the purpose of installing, maintaining, removing or replacing any portion of underground water and sewer facilities.

The aforesaid covenants concerning water and sewer facilities shall be enforceable by the City of Jenks or its successors, and the owner of the lot agrees to be bound hereby.

**C. ELECTRIC, TELEPHONE, CABLE TELEVISION AND NATURAL GAS SERVICE**

In connection with the installation of underground electric, telephone, cable television and natural gas service lines, the lot is subject to the following:

- Underground lines for the supply of electric, telephone and cable television service may be located along the boundary of the addition as shown on the attached plat. Street light poles or standards shall be served by underground cable and elsewhere throughout said Addition all supply lines shall be located underground, in the easement-ways reserved for the general utility services and streets, shown on the attached plat. Service pedestals and transformers, as sources of supply of secondary voltages, may also be located in said easement-ways.
- All supply lines in the Subdivision including electric, telephone, cable television and natural gas service lines shall be located underground in the easements reserved for general utility services and streets shown on the plan of the subdivision. Service pedestals and transformers, as sources of supply at secondary voltages, may also be located in said easements.
- Underground lines for the supply of electric, telephone and cable television service and natural gas service located in the Subdivision may be run from the nearest natural gas main, service pedestal or transformer to the point of usage determined by the location and construction of such building as may be located upon said lot; provided that upon that the installation of such a service cable or a natural gas service line to a particular building, the supplier of service shall thereafter be deemed to have a definitive, permanent, and effective right-of-way easement on said lot, covering a five-foot strip extending 2.5 feet on each side of such service cable or line, extending from the service pedestal, transformer or natural gas main to the service entrance on the building.
- The supplier of electric, telephone, cable television and natural gas services, through its authorized agents and employees, shall at all times have right of access to all such easements shown on the plat to the Subdivision or provided for in this deed of dedication for the purpose of installing, maintaining, removing or replacing any portion of the underground electric, telephone, cable television or natural gas service facilities so installed by it.
- The owner of each lot in the Subdivision shall be responsible for the protection of the underground electric facilities located on his property and shall prevent the alteration of grade or any construction activity which may interfere with said electric, telephone, cable television or natural gas facilities. The supplier of service will be responsible for the ordinary maintenance of underground facilities, but the owner of the lot in the Subdivision will pay for damage or relocation of such facilities caused or necessitated by acts of such owner or his agents or contractors.

**D. STORM SEWER**

- The City of Jenks, or its successors, through its proper agents and employees, shall at all times have right of access with their equipment to all storm sewer easements for the purpose of installing, maintaining, removing or replacing any portion of the underground storm sewer system.
- No permanent fence, permanent wall, permanent building, or permanent structure which could cause an obstruction shall be placed or maintained in the storm sewer easement area, and any construction activity which would interfere with the storm sewer system shall be prohibited.
- CVP - Jenks DB, LLC, or its successors, shall be responsible for ordinary maintenance of the private storm sewer system, but the owner of each lot will pay for damage or relocation of such system caused or necessitated by acts of the owner of each lot or its agents or contractors.
- The foregoing covenants concerning the private storm sewer system shall be enforceable by CVP - Jenks DB, LLC, its successors, and the owner of each lot agrees to be bound hereby.
- The owner of each lot shall be responsible for the protection of the storm sewer located on their lot and shall prevent the alteration of grade or any construction activity which may interfere with said storm sewer. Within the utility easement area as depicted on the accompanying plat, the alteration of grade from the contours existing upon the completion of the installation of storm sewer, or any construction activity which would interfere with storm, shall be prohibited.

**F. SURFACE DRAINAGE**

- Surface Drainage. Each lot shall receive and drain, in an unobstructed manner, the storm and surface waters from lots and drainage areas of higher elevation and from public streets and easements.
- No property owner shall construct or permit to be constructed any fencing or other obstructions which would impair the drainage of storm and surface waters over and across his lot. No property owner shall modify or change the direction of drainage of surface storm water from the original approved construction plans on file at the City of Jenks.
- The property owner shall prevent the alteration of grade within the easement areas from the original contours (finish grade) or allow any construction activity which may interfere with such public water mains, valves, storm sewers, and or public sanitary sewer facilities.
- The covenants set forth in this section shall be enforceable by any affected property owner and by CVP - Jenks DB, LLC.

**G. OWNER RESPONSIBILITY WITHIN EASEMENTS**

The owner of the lots shall be responsible for the repair and replacement of any landscaping and paving within the utility easements on the lot in the event it is necessary to repair any underground water or sewer mains, electric, natural gas, cable television, or telephone service.

**H. LAND USE**

All construction shall be strictly according to the ordinances of the City of Jenks, Oklahoma.

IN WITNESS WHEREOF, CVP - JENKS DB, LLC has executed this instrument this \_\_\_\_\_ day of \_\_\_\_\_, 2021.
