

Jenks Garden Club wins Oklahoma Redbud Award

An Oklahoma RedBud Award was presented to the Jenks Garden Club during the Governor's Conference on Tourism held October 18, 2010 in Norman.

The award recognizes the effort of the Garden Club in creating and coordinating the annual Jenks Herb and Plant Festival.

RedBud Awards recognize the best in Oklahoma Tourism and Travel activities.

Shari Keathley, President
Jenks Garden Club
P.O. Box 215
Jenks, Ok 74037

Dear Ms. Keathley:

On behalf of City Council, I would like to congratulate the Jenks Garden Club for winning an Oklahoma Redbud Award in the category of Outstanding Event. The award recognizes the effort of the Garden Club in creating and coordinating the Jenks Herb and Plant Festival. The Redbud Awards recognize the very best in Oklahoma Tourism and Travel activities. The Garden Club is a worthy recipient of such an honor.

The Club has grown this event and raised awareness of community beautification. By providing this wholesome community festival, you have produced not only a plant merchandizing exchange but a financial impact on the greater Jenks marketplace. By offering free educational opportunities to individuals of all ages on gardening and planting practices, the festival has enriched the quality of life in the Jenks community and improved the image of Jenks as a leader in urban horticulture.

The City of Jenks is fortunate to have such devoted citizens. It is citizens like you that keep Jenks one step ahead of the rest. It is with great pride that I offer my congratulations on your Redbud Award. Thank you for your contributions to the City of Jenks.

Sincerely,

Vic Vreeland,
MAYOR
